**'TIS THE SEASON** Maisey Mae makes baby burp cloths with all manner of seasonal designs and colors (\$39 for three; [maiseymae.com](http://maiseymae.com)).

## A Little Boost

The Boosty Yea! (we love the name!) is covered in easy-to-clean oilcloth; choose from more than two dozen patterns and colors. These are a few reasons this is a favorite new product of ours, but the main point is, it's a great little chair for a toddler (\$60; [boostyyea.com](http://boostyyea.com)).

There are  
**105,000**  
fathers who  
stay home to  
take care of  
their children.

## Shop Our Store

The best baby gifts are personal, which is why more than 70 percent of the items in our online store can have initials or a name sewn on. Put baby's name on a diaper bag, bib, bodysuit, blanket, and much more. We've got lots of stuff to keep you organized in style, too, such as these Baby Animal Nesting Bins (\$64). Browse our selection at [americanbabystore.com](http://americanbabystore.com).

## HAVE YOU HEARD ABOUT...

■ Stay in Stowe, Vermont, before Christmas and your child can meet Santa—he'll

review your kid's wish list before you get there and be prepared to discuss it! (800-GOSTOWE; [gostowe.com](http://gostowe.com).)

■ If your little one drools all over his Baby Bjorn, check out the new washable bibs for the baby carrier (\$16 for two; [babyswede.com](http://babyswede.com)).

■ For a small clip-on light that's bright enough for nighttime diaper changes but soft enough not to jar baby (or you) more awake, see Kel-Gar's little "My Light" (\$10-\$11; Babies "R" Us).

■ Get a preschooler excited about winter with *The Legend of Frosty the Snowman*, a fun new animated movie (\$22; wherever DVDs are sold).

■ Find the best segments of *The American Baby Show* through On Demand from Comcast Digital Cable. Watch all of the child-care topics that interest you most!
