

**ABOVE:** Believe it or not, this pretty cloth — featuring a gingham ribbon detail and embroidered flower — is a burp cloth. The company Maisey Mae specializes in creating pretty cloths that are not only great for babies, but can be used as hand towels or sewn to create beautiful pillows.

**BELOW:** Handy for shopping lists, phone messages or just a friendly family note, this blackboard from Through the Country Door features a whimsical rolling pin shape with a distressed red finish.

## Household Helpers

*Everyday chores are easier than ever with these handy tools.*

Prepare to conquer with a bright white grill, even without the expense of buying a new one. Break down your old grill with

**the GrillStone**, a heavy stone block with a handle, to scrape off the grime and let your grill gear shine as the product starts to wipe off the remaining residue. Your grill will show its new as the sun shows your new one in a workday. [Buy yours.](#)

No more bending over the bathtub, scrubbing away with a sponge, or standing up to clean a high toilet is the meaning of the new Bath Wand from Clorox. It comes along with a 10.5-ounce spray bottle instead of the usual 16-ounce bottle, so it's easier to hold. It's made of shock-resistant, non-slip material and features a built-in spray nozzle for cleaning toilet and shower. It's available with or without bleach. The swirling dust around a hand held vacuum is a common sight in the home. One new, portable vacuum, the new 15.6-volt Black & Decker Dustbuster

comes in 11.85. It comes with a dust-collecting, cyclonic dust separator that helps collect dust and debris, so you get less dust and debris inside, meaning more effectiveness. It's also available in blue. Plus, the machine has a "Turbo" feature, which means you can use it for as long as you want. It's also available in blue. [Check it out.](#) [Buy yours.](#)

The Dustbuster also has a built-in cleaning tool that allows you to clean the inside of the machine. Simply turn the wheel with your finger and gently use the tool to clean the dust filter. This makes the job of cleaning your vacuum much less.
