Brooklyn, NY-based **Momma Couture™** debuts their first line of diaper bags fusing fashion with function by using fabrics that are appealing to the eye, but can withstand the chaos of having kids. The bags are fully insulated, keeping bottles and sippy cups at the right temperature. Most come with a coordinating insulated wristlet to help keep those necessary wipes moist. **Rashmi Budhram** founded **Momma Couture** in 2008 to create bags that are stylish
