

Stuff You'll Love

1. **Hip baby.** Generation Z makes surfer-cool gear for the tiniest tots. Best of all, soft cotton construction makes them really comfy. www.generationzbaby.com

2. **Up the wall.** For instant nursery décor that you can restyle at a whim, we love KideCals – you can put them up, take them down and put them up again without damaging your walls. www.kidecals.com

3. **Eat it up.** These oh-so-cute personalized plates by Claudia Baudo are truly one of a kind, which makes them perfect for your one-of-a-kind baby. www.claudiabaudo.com

4. **Key to your heart.** Keep track of your busy new life stylishly with a swanky, crystal-studded keychain. www.keytoemyheart.net

5. **Burp!** We're not going to try to convince you that spit-up is adorable, but you can't argue with the charm of these embroidered burp cloths from Maisey Mae Designs. www.maiseymae.com
